Shipping costs

- Frozen grafts:** \$75.00 for a *FedEx Standard Overnight* shipment of 1 – 8 frozen grafts on dry ice in our standard shipping box. Additional shipping charges will apply for our large shipping box, *FedEx First Overnight*, *FedEx Priority Overnight*, or Saturday shipments & deliveries.
- Freeze-dried grafts:** \$35.00 for a *FedEx 2-Day* shipment of 1 – 16 freeze-dried grafts. As above, additional shipping charges will apply for *FedEx Standard Overnight*, *FedEx First Overnight*, *FedEx Priority Overnight* or Saturday shipments & deliveries.

Upon usage of a graft, please return the Transplant Record to us. Thank you.

Delay in shipment: Please notify us immediately if a frozen shipment does not arrive by 3 pm on the scheduled delivery day. We will trace the package and expedite its delivery if at all possible. Our packaging is validated to accommodate a delay and the packages are insured; however, if we are not notified, and insurance does not cover the cost of thawed graft and shipping charges, these charges will be the responsibility of the recipient.

Shelf-life:

- Frozen grafts:** Should be kept frozen until ready for use. If stored at -20°C (or in a standard household freezer), they should be used within 6 months of receipt. If stored at -40°C or colder, grafts can be stored for 5 years.
- Freeze-dried grafts:** Can be stored refrigerated or at room temperature for 5 years.

Payment: Payment is due upon receipt of grafts. An invoice will be included with the package and, if you request can be sent directly to your billing office. *We can accept payment by: check, MASTERCARD, VISA, or EFT.*
